

LETTER OF INTENT  
EURIDICE

From (Organisation, contact person, address and city):

Date:

To: EURIDICE Intelligent Cargo Forum Coordinator

Dear Ms. Tatjana Bolic

We, hereby, express our interest on behalf of \_\_\_\_\_ in supporting the Intelligent Cargo Forum initiative. By submitting for membership in EURIDICE Intelligent Cargo Forum, we express our interest in the initiative named EURIDICE within the 7th research and technological development framework programme and share its vision and goals.

We acknowledge that EURIDICE does not distribute contact information to third parties except in the following cases:

- a) The list of companies, companies' logos and last names of Intelligent Cargo Forum members are published on our web site (public access)
- b) The list of companies, first and last names and emails of our members are provided to all EURIDICE members and partners (restricted access)

By checking this box we accept to have our contact information distributed as described above (obligatory).

We are willing to evaluate the results of the EURIDICE project by (select at least one, and all that apply):

- Registering to the Intelligent Cargo Forum and taking part in the relevant activities
- To help the implementation of EURIDICE's Intelligent Cargo results, by contributing to the elicitation of user requirements and the assessment and evaluation of the results
- Providing feedback on the proposed approach;
- To help the dissemination efforts, by making the Intelligent Cargo concepts and results known to a wider scientific and industrial community
- To ease the exploitation process, by expanding the EURIDICE pilots and test cases to new application domains and sectors
- Evaluating the possibility of participating in demonstration and validation activities (pilots) within EURIDICE;
- Organising joint workshops to discuss EURIDICE Intelligent Cargo current results;
- Providing contacts for enlarging and developing the Intelligent Cargo Forum.
- Other: \_\_\_\_\_

We are committed to support the EURIDICE Intelligent Cargo Forum dissemination and exploitation activities of the project results toward our constituency.

Yours sincerely
